

SOUTH RYEGATE

Two Accidents in Recent Ball Game.

The most hotly contested ball game of the season took place last Saturday between South Ryegate and Groton teams, resulting in a score of 13 to 11, in favor of the home team. The game was marred by two accidents, one of which might have proved serious, when Wendell McLam of Topham, who was playing with the Groton team, got hit with a ball just behind the ear. It stunned him and he was taken to the office of Dr. Darling immediately. It was some time before he regained consciousness but he improved rapidly and was able to be moved to his home in the evening. He is coming out all right, it is reported. Ted Samuelson, in making a base, was cut on both wrists by the spikes in shoes of Jay Garvin and has had to wear them bandaged this week.

Oramel Danforth Willey.

On Friday morning, July 14, about 8 o'clock Mr. Willey, who like Enos of old had "walked with God" all his life, came to the end of the journey "and he was not for God took him." He had gone about his usual duties apparently and while chatting cheerfully with Miss Gates, at whose place he spent some time each day, the call came to him. His response was immediate and the beautiful soul took flight, leaving the body with the implement of the Lord's still in his hand.

Mr. Willey was born in Topham in 1843, the eldest of ten children of John and Katherine Willey. His parents went to Hillsboro, N. H., the next year, and there he obtained his education. As a youth he returned to Barre and was employed there when he enlisted for three months in the War of the Rebellion. At the expiration of that time he re-enlisted for three years and fought in several of the great battles, including Gettysburg. His regiment was among the first to enter Richmond at the close of the war and was detailed to remain there to keep order after the other troops were disbanded.

April 28, 1868, Mr. Willey married Lucinda R. Kimball of Topham, who died Jan. 30, 1913. Two children blessed their home, Katherine, who is now Mrs. J. F. McLam of this place, and whom Mr. Willey has made his home since the death of his wife, and Arthur Kimball, of Schenectady, N. Y. There are five grandchildren, Arthur Jr., Helen, Margaret and Charlotte Willey and Wilbur McLam. He is survived by three brothers, Lucian of Humboldt, Ia., Everett of Barre, Eugene of Grandville and one sister, Mrs. Della Foss of Plainfield.

Many years ago Mr. Willey joined the Topham church and soon became a member of the session. When he came here to live nine years ago he became a member of local United Presbyterian session, in which capacity he has rendered efficient service before God and man, and has now entered into the reward promised to those who are faithful unto death.

Mr. Willey represented the town of Topham in the legislature of 1900 and was always ready to undertake any service required of him.

He was popular with old and young alike, having never lost the spirit of youth and fun, with which he was abundantly blessed.

The funeral was held at his late home Monday afternoon at 1 o'clock. The service was conducted by Dr. J. S. Garvin, his pastor, who was assisted by Dr. W. L. Bailey. The funeral was largely attended by the townspeople and a great many of his friends of other days from Topham. The casket was surrounded by a profusion of beautiful flowers, many of which had been cultivated by Mr. Willey himself and which bore testimony to the love and esteem in which he was held by a multitude of friends and to his deep love of the beautiful.

The relatives from out of town to attend the funeral were Mrs. Peter McNamara of Bradford, Mr. and Mrs. John Foss of Plainfield, Everett Willey of Barre and Mr. and Mrs. Fred Thorpe of Lisbon, N. H.

The pall bearers were fellow members of the session, W. I. George, James Vance, Donald Morrison and Charles Grant, and the interment was in the family lot at West Topham.

Among the sterling qualities which blended into the beautiful character of the deceased four stand out distinctly, promptness, cheerfulness, kindness and faithfulness, all of which were fully consecrated to the work of the Master whom he loved and served most faithfully for many years. "Precious in the sight of the Lord is the death of His saints."

Mr. and Mrs. A. T. Beaton and daughter, Barbara, left Monday for Owl's Head, Me., in company with N. S. Love and family of Barre.

Charles G. Reid met with an auto accident Saturday which, by good luck, did not prove serious. In driving up the steep hill beyond A. B. Beck's on his way home his rear axle broke and brakes were released. The car ran rapidly back down the hill but kept to the road and landed safely at the bottom, much to the relief of the occupants.

Mrs. Charles Polley of Milltown, N. B., a sister of the late Mrs. William Nuthorn, arrived Tuesday, the day after the funeral, having been delayed on the journey. She will make an extended visit to the family.

Fire broke out Monday evening about 11 o'clock in the steam mill on M. H. Gibson's farm a mile north of the village, known as the Wilson place. They had been using the mill that afternoon to saw out lumber for William Gibson's new barn at Meadows, the old one having burned a few weeks ago. Help was telephoned for to save the lumber around the mill and the response was prompt, so that there was no great loss except to the mill itself.

Miss Theodora Vandivort of Newcastle, Pa., a niece of Rev. and Mrs. D. M. McKinlay, is visiting them at the present time.

Howard Gray of Grand Rapids, Mich., is at the home of his parents, Mr. and Mrs. T. S. Gray, for a short visit.

The accident at the wharft on Wells River road near Edwin Henderson's has attracted most South Ryegate people this week. A heavy truck belonging to the Davis Co., Wells River, loaded with lumber and shingles, was unable to make the turn on the hill above the wharft and ran into the hole, which is about 30 feet deep. The driver was thrown onto the rocks in the bottom and badly hurt. A young woman who was with him jumped before the truck went over and fell just at the edge of the hole. Ray Bailey, who happened to be just behind, wit-

YOUR NERVE CENTERS

When the nerve centers are exhausted by worry or disease they must be built up by rest and by added nutrition which healthy blood alone can give them. Here is a case in point: "If a description of my illness and recovery will serve to help others by showing them the way to health, I certainly want to give it," says Mrs. Hiram Chapman of R. D. No. 2, Baldwinville, N. Y. "A severe attack of pleurisy followed by a bad cold left me in a badly run-down condition. Nothing seemed to give me more than temporary help. My nerves were wrecked, I lost ambition and couldn't do my work. I was subject to headaches which lasted for hours. I had little appetite and what I ate caused such distress that my sleep was broken. I became very dizzy at times and if I attempted to take a short walk my legs gave out."

"After trying many preparations I heard of Dr. Williams' Pink Pills and began the treatment with them. I was so much better after taking one box that I took four boxes in all. As a result I regained strength and ambition. The headaches have disappeared, my nerves are much stronger and I have a good appetite. I no longer suffer from stomach trouble and feel better than I have for a long time. Dr. Williams' Pink Pills helped me and I am sure they will prove beneficial to others whose symptoms are like mine were."

The free booklet, "Diseases of the Nervous System," will interest you. Write for it to-day to the Dr. Williams' Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail on receipt of price, 60 cents a box—adv.

nessed the accident and was able to assist the injured persons and after a little time he drove them back to Wells River.

STOWE

The Stowe Military band gave an excellent open air concert at the band stand on the corner of the town square, during the evening of the "Older Girls" served ice cream, sherbet and cake on the Community church lawn, realizing about \$15 for the benefit of the daily vacation Bible school.

The funeral of Miss Alice S. Gale was held Thursday afternoon at the home of her sister, Mrs. Emma Barrows, where she died suddenly Tuesday morning. The service was conducted by a former pastor, Rev. W. T. Best of Morrisville, assisted by Rev. C. E. Hayward of the Community church. The bearers were Elmer L. Barrows, Willis H. Barrows, Ernest French and Arthur Douglass. The casket was banked with beautiful flowers and the rooms were decorated with many more. Among the friends present from out of town were Mrs. Ellen Douglass, Mrs. Laura Douglass, Mr. and Mrs. Arthur Douglass, Mr. and Mrs. W. E. Bohannon, Mrs. Ann Merrill, Mrs. F. O. Thayer, Mrs. Herbert Keeler, Mrs. O. D. Coan, Mrs. Susan Douglass and son, Eben, Miss Blanche Preston and Charles Baker of Morrisville, Miss Vivian Douglass of Burlington and Mrs. Martin Parker of Volcott. The interment was made in the cemetery at Morrisville Center. Mrs. Ellen Douglass of Morrisville is remaining with Mrs. Barrows for a time.

Miss Carolyn Pike is passing a few days on Mt. Mansfield.

Mrs. Henry DeMar, who was injured Tuesday in a collision with an auto truck, is doing as well as could be expected. No bones were broken, but her body was badly wrenched and bruised. She was still at the home of her sister, Mrs. S. A. Stowell, in the village Friday.

NOW DO MY WORK WITHEASE

Because Lydia E. Pinkham's Vegetable Compound Restored My Health

Hornell, N. Y.—"I was in bad health but there didn't seem to be any one thing the matter with me. I was tired out all over and it was an effort for me to move. I was irritable and could not sleep nights and had trouble with my bowels and at my periods. It seemed that nearly every one around me knew of your medicine and wanted me to try it, so at last I took Lydia E. Pinkham's Vegetable Compound Tablets and Lydia E. Pinkham's Blood Medicine and improved every day. I do all my own work now except the washing and do it with ease. I can accomplish as much in a day now as it would have taken me a week to do last winter and I try to get every one I know to take your medicine to build them up. You are welcome to use this letter as a testimonial if you like."

—Mrs. CHAS. BAKER, 21 Spencer Ave., Hornell, N. Y.

In almost every neighborhood there are women who know of the value of Lydia E. Pinkham's Vegetable Compound. They know because they have taken it and have been helped. Why don't you give it a trial?

WEBSTERVILLE

Rev. S. Mead, who is spending the summer months in Vermont, and is again acting pastor of the Websterville Baptist church, expects to return to Pennsylvania during the first week of September. He is preaching a series of sermons on the whole armor of God, described in the sixth chapter of Paul's letter to the Ephesians, which are greatly enjoyed by his people. Mr. Mead has quite a ministerial family. His eldest son is pastor of the Immanuel Baptist church of Detroit, Mich. His youngest son is also an ordained Baptist minister and pastor of the Baptist church at Grand Ledge, Mich., and has baptized over 300 and received them into church fellowship during a little over three years. His only daughter is the wife of Rev. B. A. Fisher, a former pastor of the First Baptist church in Springfield, field, but now pastor of a large and influential Baptist church of Johnstown, Pa. His salary is \$3,600 a year. Mr. Mead's third son is a Y. M. C. A. secretary in South Carolina, and is in constant demand by various churches to supply their pulpits when vacant. Another son is in charge of one department of the Knox hat works of Brooklyn, N. Y. He also inspects all hats before shipped from the factory. This son also is a very efficient pianist and is in charge of an orchestra which renders selections at noon hours for the benefit of the large number of men and women employed there. There is also one other son, who resides in Winnipeg, Canada, and who holds a prominent position with the National Life Insurance company.

With Pneumatic Tires and Demountable Rims

Does More For Less

THAT the Ford One-ton truck does more for the farmer or the merchant is proved by the great number of them now in daily use,—that it does this at less cost is shown by the actual figures—a smaller first cost and a much lower expense for operation and upkeep.

The Ford One-ton Truck has proved a great money saver, as well as a labor saver. It has solved the problems of economic transportation between the farm and the city.

The Ford One-ton truck has all the merits of the Ford car, with added strength for greater capacity. The worm drive of aluminum bronze gives unusual and positive power at a very low cost.

Come in and let us show you how the Ford One-ton Truck will help you and save you money in your work.

IMPORTANT

We are prepared to furnish the Ford Truck equipped either with Standard or Special Gearing. The Standard Gearing gives the truck a maximum of power. The Special Gearing increases the speed of the truck from five to seven miles an hour, converting it into a Fast Delivery Car.

THE MEN OF THE ORGANIZATION SERVING YOU

THE usefulness of a public utility to the community it serves depends upon the ability and experience of the men who direct the service of the utility. Wisely directed, the company's sphere of usefulness will expand as the community grows.

Mr. Eagan, District Manager of the territory including Waterbury, Moretown and Waitsfield, has a record of 16 years of service with this Company and its predecessor. Beginning in 1906 as assistant and attendant at the old Pioneer Plant of the Consolidated Lighting Company, he was soon advanced to the line department. Three years later he was transferred to Barre as trouble man.

In September 1910, he came to Waterbury as lineman. He now has entire charge of the territory. As District Manager, he has supervision over all line work, repairs, meter reading, and collecting, as well as management of the office. The experience and skill gained during his 16 years of active work in the field has amply fitted Mr. Eagan for the responsibilities of the position he now holds in our organization.
